THOS. E. WILSON, Owner

Please Note

To all those who desire to come to Edellyn on Sunday, the day prior to the sale, we extend a cordial invitation to inspect our sale offering, and our breeding herd as well.

We wish to call your special attention to the Marellbar Farms' Shorthorn sale to be held at 6:30 P. M. following our auction. It is only a five minute drive from Edellyn and a very choice lot of cattle will be sold.

Plan also to attend on the following day, June 2d, the Connor Prairie Farms sale at Noblesville, Indiana.

PLEASE BRING THIS CATALOG WITH YOU TO THE SALE

Thos. E. Wilson and Calrossie Mercury

We Invite You to Edellyn Farms

A year has passed since the Shorthorn fraternity, through its approval of the new dynasty appraised our sale offering at a new record price. We are indeed happy to advise you that glowing reports now being received of the new calves just arriving by the bulls purchased last year, indicate that they will do as much for their new owners as has Calrossie Mercury and Edellyn Command done for Edellyn. Sensational calves are reported from bred heifers and the offering as a whole has been perhaps the best influence for good among Shorthorns of any sold through a public auction.

It is with genuine pleasure that we again extend to you a very cordial invitation to Edellyn Farms on the occasion of our 17th Annual Auction. Again we are featuring the get of our great Calrossie Mercury, the 1939 Perth Champion and Edellyn Command. Everyone connected with Edellyn Farms and all our recent visitors are in accord that this year, we have even a finer and potentially a greater lot of bulls than last year. The females as a whole are a more uniform and typy lot, coupled with their superior pedigrees, they will meet the approval of the most critical buyers.

To those of you that are on the threshold of real accomplishments in Shorthorn breeding, the purchase of a Calrossie Mercury or Edellyn Command bull will furnish the stimulus to elevate your herd far above your fondest expectations. The purchase of a well bred daughter of either of these great bulls will place in your herd the kind of a cow from which a family can grow into prominence.

We are all very enthusiastic about this fine crop of cattle and are confident that the day spent at Edellyn will be long remembered and we certainly hope that you will honor us with your presence on June 1st.

Again Edellyn's Offering Leads

Edellyn Command 2000000

Year after year for more than a score of years, Edellyn Farms have led all other breeding establishments in America in the production of herd bulls. No other herd has produced so many champions of the show ring. No other herd has supplied so many sires that have worked improvement in other herds.

For a dozen or more years sons, grandsons and great grandsons of Edellyn's famous sire, Browndale Count, dominated the show and breeding herds of America and, as late as last season, a large majority of the winners were his descendants.

Recently with the advent of the great imported sires, Calrossie Mercury and Edellyn Command, a "New Dynasty" was proclaimed and its first representatives were presented for public approval just one year ago.

Never was a new force in the improvement of a breed greeted with as much favor as were the sons of Calrossie Mercury and Edellyn Command. These bulls are supplying what the breed needs and the breeders have been seeking—better heads, deeper, lower-set, more compact bodies and thicker, smoother flesh.

The bulls that make up this year's sale offering from Edellyn herd are by far the best that ever has been produced by this great establishment. They are better even than the superb specimens that were sold last year. Those who have bought and used sons of Calrossie Mercury and Edellyn Command are enthusiastic in their praise of the calves that are being produced by their use. The bulls that will be sold in this year's sale give promise of excelling the brothers of the former crop.

Winning Get of Sire by Calrossie Mercury

Edellyn Modern Mercury

•
EDELLYN MODERN MERCURY is the "Bull of the year." Regarded by everyone at Edellyn Farms as the calf to keep for Herd Bull Insurance. He has fulfilled our fondest hopes and we have two sensational calves to prove it. Sired by a Perth Champion and out of a prize winning daughter of an International Grand Champion and himself a first prize winner at Iowa. It's only as an added and very special attraction that this bull is put into the sale.

Edellyn Orange Blossom 41st is a full sister to the \$1100 heifer purchased by Allendale Farms last year and we believe this to be a better heifer. She comes from a family that has been very productive of good cattle in the Jas. Douglas herd in Canada. You will find this to be a very sweet, typy, smooth calf with a lot of character.
